BJA STOP School Violence and Mental Health Training Program*

Program Description:

SEA Mar/NCEC/KDNA, in partnership with the Sunnyside School District and Granger School District developed the Lower Valley Safety Partnership program to improve school security by providing students and teachers with the tools they need to quickly recognize and respond to violent attacks, mitigate risk exposure, and prevents acts of violence.

Goal:

To provide training and awareness to school administrators, school personnel, students and the community about school violence prevention and mental health support.

Results:

- Staff and student training on threat assessment provided by the SSOC
- Staff and student training on suicide risk and intervention through ASIST
- Parent, student, and community safety education, suicide risk and intervention in partnership with KDNA Includes 24 half-hour public affairs programs, two workshops per year, and one annual conference per year

Timeline: October 1, 2019-September 30, 2022
